SHIPPING METHOD:

If no preferred method is stated for shipment, every effort will be made to ship by the most economical method possible. Exceptional care is taken to insure safe transit of all Santech® products, receipt of which, by the designated transportation company, ends Santech’s responsibility. Customers are requested to carefully inspect arriving shipments and should refuse or accept damaged products only after a damage notation is made on the freight bill in writing. Claims for delay, loss or damage should be made against

RETURN POLICY:

The purpose of this policy is to have clear and executable guidelines to effectively authorize a credit when a Santech product purchased is unsatisfactory.

• All products returned must be pre-approved and a Return Authorization Number (RA#) attached.
• Santech will issue a full refund only for Santech® products returned with a Return Authorization Number (RA#).
• Product returned to Santech without prior approval will be refused and returned freight collect.
• Each pallet or container must be clearly marked with the RA#.
• Product must be purchased from Santech.
• Some products purchased may not be eligible for return. These non-return products include but are not limited to: chemicals, special ordered products or products that are obsolete or superseded.
• Products returned as new should be in its original packaging, clean, and in saleable condition.
  If repackaging is required, an additional 25% restocking fee will be charged.
• The RA needs to be requested within 30 days, and the product must be returned within 60 days after receipt.
• Customers account must be current before Santech will accept any allowable return.
• Product may not be returned in lieu of payment.
• Do not deduct any new or warranty credits from payments to be made to Santech until those credits are reflected on a monthly statement.
• Failure to do this may lead to an interruption on your account.

It is our goal at Santech to have a return policy that is beneficial to our customers and us. Changes in the market have forced us to invoke a strict return policy. Our return policy is designed to be easy, quick, and effective. Failure to comply with the above guidelines may result in at least 25% restocking fee. Please read and follow the policy above.

WARRANTY POLICY:

All goods sold hereunder are warranted to be free from defects in material and workmanship and/or conform to applicable specifications, drawings, or blueprints unless otherwise stated. Some items have “no warranty” and will be noted on part description. THESE EXPRESS WARRANTIES ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES OR REPRESENTATIONS, EXPRESSED OR IMPLIED BY ANY LITERATURE, DATA, OR PERSON. Sellers sole obligation under these warranties shall be to credit or replace any item or part manufactured by Seller and which is proved to be other than as warranted.

Seller shall have the sole right to determine whether such parts shall be repaired or replaced or whether credit shall be issued. No allowance shall be made for any labor charges of Buyer for inspection, installation, or tear down for replacement of parts, adjustments, or repairs. In no event shall Seller be made liable for collateral, consequential, or contingent damages. Our products are not warranted for any time period, any measure of service, or any specific purpose.

If goods are claimed to be other than as warranted, Seller, upon notice promptly given, will either examine the goods at their site or issue shipping instructions for return to Seller (transportation cost paid by Buyer), and if any goods are proved to be other than as warranted, transportation costs (by least expensive method) to and from Seller’s plant will be borne by Seller and reimbursement or credit will be made for amounts so expended by Buyer.

Every such claim for breach of the warranties herein contained shall be deemed to be waived by the Buyer unless made in writing within ninety (90) days from the date of shipment of the goods to which claim relates. These warranties shall not extend to any goods or parts thereof which have been subject to abuse or neglect, damage by accident, rendered defective by reason of improper installation, or used for other than the express purpose for which it was designed and built. These warranties shall not apply to any goods or parts made from tools, materials, or parts furnished by the Buyer or acquired from others at his request and/or to his specification.
